FIFTEEN CENTS

Ring setting up four year road program

by LEE ANN MACKULIN

"I look forward to doing the best job I possibly can. There's a lot I know but there's a lot I don't know. You learn every day and that's what I plan to do," said Antioch's recently elected Highway Commissioner Mark Ring.

"I'm setting up a four-year program. I'll do as much as I can in this term. I think it will take four years to get what I plan accomplished," he said.

"I'm going on the roads to see which are to be black topped and which are to seal coated. I'm going to find the ones that are ready to be paved first. There's a lot of work out there and not always enough money budgeted for it," said Ring.

"I want to look into the budget and see if I

can buy one, possibly two reversible snow plows.

He feels the township needs a better snow removal policy. The reversible plows would enable workmen to remove snow facing the left or the right side of the street, explained Ring.

The plows may cost more (about \$3,000), "but you'll be trading in the conventional snow plow for something that would cost a little more but be more efficient," he said.

"It's a big job and can be very pressurized if you let it, but I'll stay as relaxed as possible," said Ring.

As for his late father Blaine Ring, who was commissioner for 16 years, Ring said, "It's going to be tough to try and fill his shoes, but I'm up to it," he said.

"I'm sure he's somewhere smiling," he added.

Weber friends rally

Instead of preparing for his college graduation in Champaign, Ill., Pete Weber is at Mayo Clinic in Rochester, Minn. Pete, the son of Bob and Joanne Weber of Antioch, is a sudden victim of cancer and his life depends on an immediate liver transplant.

Mayo Clinic can give him the most advanced Medical technology and care in the world. It is apparent by the tremendous number of calls from concerned area residents, that others are offering Pete and his family their prayers, support and hope.

In answer to the many offers of assistance, a fund has been established in his name. Cards, notes and donations may be sent or dropped off at the State Bank of Antioch—Pete Weber Fund, 440 Lake Street, Antioch, Ill., 60002.

A senior at the University of Illinois, Weber is a life-long Antioch resident. He attended Emmons Grade School and graduated from Antioch Community High School in 1981.

An outstanding student and member of the National Honor Society, he was voted by his classmates as "most likely to succeed." He was also active in Antioch High School sports, including football and four years of basketball and baseball. He was a member of the 1981 Senior Varsity Basketball squad that competed in Springfield for the State title.

During breaks from college, Weber was a member of the teller staff at the State Bank of Antioch.

Bears will bring 'good news' to Antioch

Members of the Chicago Bears Football Team are bringing some "good news" to area residents.

On May 3, 7:30 p.m., Walter Payton, Otis Wilson, Terry Schmidt, Richard Dent, Jeff Fischer, Steve Fuller, Emory Morehead, Dave Duerson, Jim Osborn, Mark Bortz, Brian Cabal, Pat Dunsmore and Brad Anderson (expected Bear's players), will go up against members of the Antioch Fire Dept., Rescue Squad, Lions Club and ACHS faculty in a basketball game.

The game, to be held in the ACHS gym-

nasium, is being sponsored by the Antioch Lions Club.

Autographs by and photographs with Bear players will be offered after the game. Autographed basketballs and footballs will go to various winners. Pre-game and half-time entertainment will be provided.

Tickets are available at Antioch financial institutions and from members of the Antioch Lions Club. They are \$5 for adults and \$4 for students and children under 18 years of age.

Grass Lake may call for tax increase

A tax increase, at the general election in November, is being considered by the Grass Lake Grade School Board.

Richard Hogan, board superintendent, presented increased revenue projections to board members April 9, based on a hike in the educational fund from 10 cents to 30 cents per \$100 of equalized assessed valuation.

The board is expected to continue its discussion of a possible referendum at the next board meeting, May 14.

"The earliest we could call a referendum would be in November," said Board President Robert Mattson.

"We have one of the lowest tax rates in the area. We've been able to keep ourselves financially healthy, but there comes a time when you have to go after more funds," he said. The current rate is \$1.49 per \$100.

Board member John Steitz said it is likely that the board will refrain from voting a tax increase proposal until teacher salary negotiations are completed. The board appointed a negotiating committee Tuesday.

After a rejection by voters to consolidate Grass Lake and Lotus Grade Districts in November, last month, the two decided to

share Hogan as superintendent for the next three years.

The board has also accepted the resignation of board member Terry Enright.

The twentieth Annual Mental Health Cotillion will be held at the newly remodeled Holiday Inn in Gurnee on April 27. Cocktails and hors d'oeuvres will be served at 6:30 p.m. with dinner at 8 p.m. Music for dancing will be provided by Nitelife.

Tickets are available from members and at all financial institutions. They may also be obtained by calling Dorothy Teister at 395-3648. Tickets are \$25 per person and will benefit mentally handicapped children and young adults in the area.

BACK FOR MORE—Chuck Clark, left, Mike Dydo and returning lettermen Jeff Johnson, Jim Kauth and Tony Gebauer, are all seniors on the 1985 Antioch Community High School Varsity Baseball Team.

Job Failure

"Up to 75 percent of job failures are due to interpersonal communications problems according to some experts," says consultant Lonnie Weiss of Madison. And interpersonal communication problems don't stay on the job, either. In Kenosha County, the class will meet in room 289 at the Tallent Hall. For details or to enroll contact Kim Baugrud at the Kenosha County Extension Office in Tallent Hall; telephone (414) 553-2312.

Sequoits look to 'mature'

Starting off the 1985 season, the Antioch Sequoits Baseball Team looks to three games. After playing, Zion-Benton April 16 and Carmel April 17, the predominately junior team should have a better idea of where they stand in the conference. A practice game with Zion, although not going the Sequoits way, didn't discourage them either. "It was more of us not quite being ready," said Coach Rich Brown. "We're already talking about it. We don't get mad...we get even," said Brown. Brown doesn't feel Zion is a better team.

"They're good no doubt," he said. Looking ahead to the game against Niles, Brown said "Judging from last year they should do pretty well. We'll know by this game where we stand," he said. Antioch beat Niles twice last year. The game against Carmel will be exciting because a lot of their players live in Antioch, said Brown. Brown is counting on senior pitcher Jeff Johnson coming back after knee surgery last Wednesday. He also looks at senior Jim Kauth to be the number one pitcher this season.

Seven Make Dean's List

Antioch residents have been named to Dean's lists for nine colleges and three other academic units in the University of Illinois at Urbana-Champaign for the 1984 fall semesters by their respective deans and directors. Among the 5,242 students honored are Andrew D and John Edward Dugenske, engineering; Craig Alan James, engineering; John Timothy Ruggles, commerce and business administration; Gary Scott Volling, commerce and business administration; Shelly Lynn Volling, liberal arts and sciences and Edward Allan Wells, commerce and business administration, all of Antioch. To be eligible for the Dean's List, a student must rank in the top 20 percent of his or her college class or curriculum. The minimum number of hours of traditionally graded course work required for eligibility is determined by each unit.

Lakeland Cosponsors Photography Contest

They say actions speak louder than words. But can images convey the meaning of words?

Photos can tell a story. Sometimes an insight that was invisible to the unaided eye can be gained from a photograph. Often a photo is more precise than the most

eloquent, well-chosen words.

Can one photograph the experience of reading—or the meaning of reading in American life? That is the challenge presented by the American Library Assn.'s National Library Week photo contest.

"A Nation of Readers" is

the theme of a photo contest sponsored by the Round Lake Area Library, the Round Lake News/Lakeland Publishers, Skokie Federal Savings and the First State Bank of Round Lake. Local winners will be entered in a national contest sponsored by ALA in cooperation with

the Library of Congress. Categories and classes include black and white and color, youth and adult. Cash prizes will be awarded in the national contest. And the winning photos will appear in an exhibit that will premier at the Library of Congress.

Books and reading, like freedom of expression, have been part of the democratic experience since the Colonists formed this nation. You can celebrate reading through photographic expression. Enter the contest and see if your art imitates reading.

The mechanism that makes dolls say "ma-ma" was invented about 1825 in Germany but didn't become popular until about 1900.

Collector's Show

The Lake County Fair will be having their Gun Collector's Show, sponsored by M and M Firearms from 8 a.m. to 2 p.m. Sunday, April 21 at the Lake County Fairgrounds, (Rtes. 45 and 120, Grayslake). For more information call (312) 392-7744.

Octane—a measure of how smoothly a gasoline burns in an engine—was originally measured on a scale of 0 to 100, with 100-octane gasoline having the same anti-knock properties as a fuel comprised of 100 percent of a compound called iso-octane.

PM&L to 'brighten'

by JEAN RYBICKI

"Light Up The Sky," by Moss Hart, PM&L's latest production, directed by Mark Heller, turns out to be another hit.

The show is fast paced from the very beginning, laced with thoroughly enjoyable humor.

The play is about the trials and tribulations encountered by all the people involved in the production of a play that bombs and the effects of the flop.

Many of the individual interpretations are great starting with Harry Bartlett's version of Carleton Fitzgerald. The audience chuckled every time he ended his lines with, "I could cry!"

Frances Black played by Donna O'Donnell, the bejeweled wife of the financial backer of the play, gives a sterling performance as does her stage husband, R. J. Reber, who plays Sidney Black. Reber steals the show with his rendition of a play investor.

Lillian Allen is superb as the actress's mother who has her own solutions to the play's problems.

The part of Irene Livingston, the calculating sophisticated actress who changes tactics with every new situation, is aptly done by Colleen Jordan. Tim Holt is good as her husband Tyler Rayburn.

Director Heller's portrayal of the established playwright is a very good one in contrast to the "just adequate" performance of Kris Kidwell as the neophyte playwright. I would have liked more aggressiveness here.

The actual star of the show was the great set designed by Holt. Many favorable comments were heard running through the theater on the set and the well done costumes.

All in all, the show is more than well worth seeing. There is still time to catch a performance either on Friday or Saturday, April 12 and 13, 19 and 20, or at the Sunday matinee at 2:30 p.m., April 14.

YOUTHFUL AWARD—Beth Murray, Antioch Community High School student, center, was honored as Youth of the Month by the Antioch Exchange Club. David Heath, right,

ACHS rehearses musical

The Music Man, by Meredith Wilson, is one of the happiest musicals ever written. It is made of a long list of singable, hummable tunes such as "76 Trombones," "My White Knight," "Shipoopee," "A Sadder But Wiser Girl For Me," "Pick-a-little, Talk-a-little," and some of the greatest barbershop quartet arrangements of old standards ever created for the stage such as "Like a Rose," "Good Night Ladies" and "It's You".

The Antioch Community High Schools production of this classic will star Dave Ropa as Harold Hill, the music man; Wendy Fabry as Marian Paroo, the librarian in the little Iowa Town of River City; Phil Fabry as Marcellus, a former partner of Prof Hill and Peter Ott, Dennis Tracy, Brenda Hanigan and Mike Ocweija as the members of the school board who are mesmerized into a group of barbershop

singers by the erstwhile salesman.

The show will have three performances only; April 26 and 27 at 8 p.m. and April 28 at 7:30 p.m.

Society hosts show

The show will be from 10 a.m. to 9 p.m. April 20, and

Tickets are available from members of the cast and will be available at the door. Adult tickets are \$4 and student and senior citizens tickets are \$2.

from 11 a.m. to 5 p.m. April 21. Admission is \$2.50 per person with children under 12, accompanied by a parent, getting in free.

The VFW Auxiliary will be serving lunch and dinner on Saturday and brunch on Sunday. Refreshments at the bar will be served both days.

The proceeds from this sale will be used to support the fledgling Historical Society Museum, at Main and Depot in Antioch. The society is non-profit with mostly all volunteer workers and all acquisitions are donated.

The museum is housed in the restored Antioch Grade School building built in 1892.

Along the way with ANNIE MAE

BOY!!! Do we have a big Saturday night coming up. One event is the Emmons Fashion Show at Harbor Ridge Country Club. The event is always elegant and it is a great chance to see the fashions being shown in our shops in town. Also that evening is the Antioch Jaycees Las Vegas Night. That is such a festive affair with great prizes drawn and sold with your play winnings. I plan to hit both spots because it's so hard to choose!

For all you guys that don't know what to get the gal with an April Birthday...don't forget an Aries gemstone is a diamond. Johnson Jewelers and Hahn's have some beautiful diamonds in all forms. I have always wished I was born in April.

Have you seen all of the tans trotting about town since spring break? It looks as though summer has hit or else the tanning spas are going crazy. Don't forget to spruce up your tan and keep it. A visit to the spas in Antioch is worth the investment. Just think how much it cost you to get the original tan. (a spa is the closest thing I will get to Florida—I put on the earphones and think saltwater!)

Christ Coolidge, Carolyn Blanchette and Shirley Gutowski say they didn't see any dudes at the ranch in Arizona, but they did do a lot of golfing, horseback riding and had lots of fun. They also saw Ted and Joan Larson in Arizona.

talk about getting away from it all...Tom Fisher and family and Glenda Tomaschik

and kids found out they sat just a ways from each other during the filming of the Easter Parade at Disney World for Easter Sunday on ABC. The Fisher family and the Bob Wilton family spent another day at Disney World together. Glenda and kids went to Busch Gardens with the Al Anderson family and while at Disney World she saw the Ed Christiansen Family and the Gary Miller family. Glenda and Tom agreed that it is real tough leaving town. Glenda and kids went from Florida to Nebraska to see her family and celebrate another grandparents 90th birthday and Easter.

Plus! I heard a well-known figure in town was seen dropping his drawers in a shopping mall in Orlando. Sources say if you looked real hard one could finally notice that he did have swim trunks on! Word to the wise traveler...even though it is a struggle, wherever you are, keep your pants on!! Not everyone keeps staring long enough to see what you have...underneath the pants. One is never too far from home. As they say in Disney World...It's a Small World.

Congratulations to Mark and Sharon Rzyso on their 7 pound baby girl Amanda.

Grandma Bev says she is the cutest thing she's ever seen. That has caused excitement at the State Bank and over at the First National Bank they are celebrating the newest Popp. Congratulations to you both!

Chain Hosts Dinner

The Chain-O-Lakes Resort and Marina Owners Dinner will be held April 22, 6 p.m. at Maravela's Restaurant. The dinner is being hosted by the Lake County Marine Safety Unit.

Representatives from various governmental agencies that perform services to the public and owners on the chain are invited.

Input from the business community is hoped to have an impact on the future of the chain.

Board Review

"Conducting the Annual Board of Review" will be the topic of a class for local government officials to be held April 23 from 10:30 to 11:50 a.m. Specialists from the University of Wisconsin Extension Dept. of Governmental Affairs and the Wisconsin Dept. of Revenue will discuss the board of review's procedures and guidelines.
